
Seismic Interpretation Missa Keswal Area Geological

research article structural interpretation of missa keswal ... - this study pertains to interpretation of missa keswal area and identify the structures, source and reservoir formations and whether or not faulting prevailed in the reservoir formations. six seismic lines were interpreted for the purpose. the four dip lines are oriented se-nw whereas two strike lines are oriented ne-sw. **integrated seismic interpretation, 2d modeling and ...** - the seismic interpretation of missa keswal area was carried out based on generalized stratigraphic sequence of potwar basin, which shows pop-up anticlinal structures bounded by the thrust faults. selected seismic attributes have also been computed to confirm the interpretation in terms of the petroleum system. **collisional tectonics and its effects on hydrocarbon ...** - the missa-keswal oil and gas field is located in the eastern part of potohar basin. its structure is a thrust bounded anticline, having sw-ne orientation. it was first drilled by gulf oil company, with the qazian-1 as the first well. that was ... modeling and seismic data interpretation, following conclusions can be drawn ... **integration of seismic and seismological data ...** - abstract—the structural interpretation of a part of eastern potwar (missa keswal) has been carried out with available seismological, seismic and well data. seismological data contains both the source parameters and fault plane solution (fps) parameters and seismic data **development of a computer program for zoeppritz energy ...** - the seismic interpretation shows pop-up structures bounded by thrust faults. after time to depth conversion the true structural geometry is obtained in the form of depth sections. seismic structural model shows major thrust faults, which confirm the compressional ... missa keswal and adhi[5] kussak (sandstone) jutana (dolomite) of early ... **subsurface geometry of potwar sub-basin in relation to ...** - subsurface geometry of potwar sub-basin in relation to ... seismic data, located on or nearby the regional grids have ... missa keswal and fim **3 - 5 october - islamabad - share and discover research - 3 - 5 october - islamabad atc 2003 conference & oil show 1 subsurface geometry of potwar sub-basin in relation to structuration and entrapment m. anwar moghal1, abdul hameed2, muhammadhaq saqi3 ...**
